

HOMETOWN HOLIDAYS

LETTER TO SANTA

HOW IT WORKS:

STEP 1

Print the letter template below or pick one up at either City Hall, the Historic Downtown Liberty, Inc. Office or the Liberty Community Center. You can always write your own but be sure to include a return address or email for Santa to reply.

STEP 2

Once you have your letter written, it's time to mail it off to the North Pole. The North Pole Express mailbox is located at the big tree at City Hall. Santa's elves will pick them up and deliver them straight to Santa. While you're there, take a picture in front of the Holly Jolly Trolley as you mail your letter.

STEP 3

Check your mailbox! Santa is very busy this time of year but he will try to reply to as many letters as he can. Be sure to include a return address or an email for Santa to reply.
